

Discussion Questions and Activities for the “Eucalyptus Tree” Video

Questions for Younger Students

1. Where is the eucalyptus tree from?
2. Why did the pioneers bring the eucalyptus tree to Israel? Why didn't it work?
3. What are the eucalyptus trees used for? What do the Boy Scouts use the trees for?
4. Who is Israel's greatest spy?

Questions for Older Students

1. Why did the pioneers bring the eucalyptus tree to Israel? Why didn't it work?
2. What does Naomi Shemer say about eucalyptus trees?
3. How does Eli Cohen use the eucalyptus tree to help protect Israel?
4. How was the Israeli army able to defeat the Syrians?

Activities for Younger Students

1. Draw a picture of the eucalyptus tree.
2. Draw a structure that you would build with eucalyptus tree branches.
3. Write up a secret spy plan for how to use the eucalyptus tree to defeat the Syrians.

Activities for Older Students

1. The early pioneers tried to use the eucalyptus tree to drain swamps. Research what trees would have been better to use.
2. Draw a structure that you would build with eucalyptus tree branches.
3. Build your own irrigation system like the early pioneers did. [See examples here.](#)
