

Amira Meir Introduction

Ladies and gentlemen, it's now my privilege to introduce you to a uniquely talented scholar...

She is a respected authority on biblical studies, who has taught at universities across North America, Europe, and Israel...

She is a builder of international relationships, who led the Tempus Iris Project, which increases collaboration between academic institutions in the European Union and Israel...

And she is a gifted lecturer, who speaks around the world on issues like rabbinical commentary and Jewish life.

Ladies and gentleman, please welcome Dr. Amira Meir.
