

## Arsen Ostrovsky Introduction

Ladies and gentlemen, it is now my privilege to introduce you to a renowned Israel advocate in the international arena...

He is a seasoned voice for Israel, who has spoken in support of Israel before U.N. forums in Geneva and New York, the European Parliament, and the Knesset, who regularly briefs delegations of Jewish professionals, international lawmakers, scholars, churchgoers, and students, and who has been quoted by the New York Times, BBC, AFP, Washington Post, Deutsche Welle, and other major media...

He is a dedicated pro-Israel activist, who is executive director of The Israeli-Jewish Congress, an NGO that works with Jewish communities worldwide, especially in Europe, to combat anti-Semitism, BDS, and delegitimization of Israel...

And he is a leading international human rights lawyer, who was a litigation attorney for a top law firm in Australia and a research fellow at the Hudson Institute in New York, where he focused on Israel and the U.N., human rights law, and national security.

Ladies and gentlemen, please welcome a defender of Israel across the globe, Arsen Ostrovsky.
