

Brigitte Gabriel Introduction

Ladies and gentlemen, it is now my privilege to introduce you to a woman with a powerful story and a rare perspective...

She is an unlikely defender of Israel, who was raised in Lebanon and learned to hate Israel, until she discovered the truth about the country and moved to Jerusalem full-time to work as a journalist...

She is a passionate activist, who founded "American Congress for Truth" after 9/11, a non-profit organization dedicated to educating Americans about the threat of radical Islam to world peace and national security, and authored The New York Times bestseller, BECAUSE THEY HATE: A Survivor of Islamic Terror Warns America...

And she is a skilled entrepreneur, who started her own television production and advertising company serving clients such as NBC, CBS, Fox, and the Oprah Winfrey Show.

Ladies and gentleman, please welcome Brigitte Gabriel.
