

Ladies and Gentlemen, it is my pleasure to introduce you to an innovator and community leader.

He is a savvy marketer and strategist, who is the CEO and President of GreenSmash Denim, a company that creates a denim fabric made from recycled plastic, cotton, and wood pulp...

He is a dedicated community member, who serves on the board of the Jewish Theological Seminary in New York City, and who spent 11 years as a board member at his local synagogue...

And he is a passionate JNF leader, who is a Makor member, and who has served on the JNF Northern New Jersey board for the past nine years, three of which he spent as president.

Ladies and Gentlemen, it is my pleasure to introduce you to a man who embraces both entrepreneurialism and giving back, Bruce Pomerantz.
