Ladies and gentlemen, it is now my privilege to introduce you to a renowned journalist...

She is a veteran news anchor, who is chief correspondent for the Israeli Channel 2's Saturday Night News, the most-watched news program in Israel, and who is a contributor for the CNN Worldwide Report...

She is a well-versed political expert, who has conducted interviews with leading influencers from both Israel and abroad as moderator of the Meet the Press program, who covered eight national election campaigns, and who anchored special coverage of the Second Lebanon War and multiple wars in Gaza...

And she is a tireless investigator, who has produced documentaries on subjects such as the overuse of antibiotics and the loss of privacy.
