

## David Levy Introduction

Ladies and Gentleman,

Now it's my privilege to introduce you to an emerging Jewish National Fund leader who shares his passion for Israel with young people all around the country...

He is a self-starter, who did not have a local JNFuture chapter in his home of Austin, Texas... so in 2011—he founded one himself...

He is a committed advocate for Israel, who has been instrumental in building JNFuture's membership and increasing support for JNF's projects in Israel...

And he is a passionate Zionist, who co-chaired the JNFuture Leadership Institute Mission —where he showed young leaders how JNF is building a brighter future for the Jewish people and the Jewish State.

Ladies and Gentleman, please welcome founder and past chair of JNFuture Austin and a member of our Makor Speakers Bureau, David Levy.
