

Dr. Efraim Chalamish Introduction

Ladies and gentlemen, it is now my privilege to introduce you to one of the world's greatest international economic scholars...

He is an expert in international economic law, involved in research and analysis of cutting edge areas in public and private international economic law, serving as a permanent representative to the United Nations of the International Association of Jewish Lawyers and the founder of the Global Center for Economic Development and Security...

He serves graciously as a public servant, lending help to various non-profit organizations in their strategic thinking and leadership needs, serving as an advisor to the Israeli government on issues such as the natural gas industry, earning him various awards, such as Future Global leader for 2011 by the French Government...

And he is an inspiring professor in International Investment Law at New York University Law School, a frequently published editor and contributor to various major media outlets...

Ladies and gentlemen, please welcome Dr. Efraim Chalamish.
