

## Evelyn Spritz Introduction

Ladies and gentlemen, it is now my privilege to introduce you to a woman dedicated to helping improve the lives of Israelis...

She is ***a devoted environmental activist***, who is a strong supporter of JNF's work to expand Israel's water sources and bolster its water quality, and whose passion for that work was stoked upon witnessing the devastation of a drought in Israel in 1992...

She is ***a tireless leader in the Jewish world***, who is president of JNF's Northeast Zone; a member of the organization's Sapphire Society, President's Council, Century Club, and Parsons Water Fund board; and the former president of both its Philadelphia regional and Eastern Pennsylvania boards.

And she is ***a renaissance woman***, who has studied French language and literature, and has a deep appreciation of classical music and jazz as well as art, theater, cooking, gardening, and travel.

Ladies and gentlemen, please welcome a passionate advocate for the infrastructure and people of Israel, Evelyn Spritz.
