

Ladies and gentlemen, it is now my privilege to introduce you to a respected environmental analyst and advocate...

He is a seasoned environmental consultant and researcher, who works at Urban Green Environmental, where he advises private developers and corporations on construction and renovation projects...

He is a passionate pro-Israel activist, who served as co-chair of JNF's first-ever environmental mission to the Jewish state and is an avid supporter of developing the land of Israel...

And he is a veteran public sector professional, who worked as director of the Brownfields Initiative for the City of Baltimore Development Corporation, as an advisor for the National Association of Home Builders in Washington, D.C., and as an environmental policy analyst and specialist for the Ohio River Valley Water Sanitation Commission in Cincinnati.

Ladies and gentlemen, please welcome a go-to source for environmental expertise, Gary Suskauer.
