

Herb Keinon Introduction

Ladies and gentlemen, it is now my privilege to introduce you to a man with an intimate perspective on Israel's political, diplomatic and strategic challenges...

He is a veteran journalist, with over three decades of experience who covers diplomacy for The Jerusalem Post. He has followed Israel's Prime Ministers all over the world, from Ehud Barak in Paris, and Ariel Sharon in Texas, to Ehud Olmert in Moscow and Benjamin Netanyahu in Washington, D.C.....

He is a sought-after speaker, who has lectured widely in Israel, the U.S., Europe, and Australia on the political and diplomatic situations in Israel, and regularly appears as a commentator on a variety of international radio and television programs ...

And he is a prolific author, who wrote Lone Soldiers: Israel's Defenders from Around the World, a book about young men and women from the Diaspora who volunteer to serve in the IDF, and writes a blog, French Fries in Pita, about living and raising a family in Israel.

Ladies and gentlemen, please welcome Herb Keinon.
