

Ladies and gentlemen, it is now my privilege to introduce you to a leader in the LGBT Jewish community...

He is a savvy entrepreneur, who is the founder of Hebro, an event production company focusing on gay Jews in New York, which has produced over 100 events since its inception in 2008 and has attracted thousands of attendees from across the country...

He is a proud activist, who is the founder of Out! for Israel, an organization that serves as a pro-Israel voice in the LGBT community and cultivates a sense of identity for gay Jews in New York City...

And he is a popular writer and public speaker, who regularly gives presentations on Israel and the LGBT Jewish community, and whose writing has appeared in publications around the world, including the Huffington Post, Queerty, The Jewish Week, and The Jerusalem Post.

Ladies and gentlemen, please welcome a leading voice for LGBT Jews, Jayson Littman.
