

Jeffrey Woolf Introduction

Ladies and gentlemen, it is now my privilege to introduce you a remarkable man dedicated to ensuring a strong, secure and prosperous Israel...

He is a distinguished attorney, who spent many years handling civil litigation in private practice and now works to uphold ethical standards in the practice of law as assistant general counsel for the Massachusetts Bar Overseers...

He is a skilled educator, who is an adjunct professor at Boston University Law School and has taught at the New England School of Law and Northeastern University...

And he is an ardent Zionist, who has helped support Israel as the leader of JNF's Boston chapter and through his service on JNF's legal team, the Century Council and the President's Society.

Ladies and gentlemen please welcome a proud and passionate supporter of Israel, Jeffery Woolf.
