

## Judith Galler Introduction

Ladies and gentlemen, it is my pleasure to introduce to you to a dedicated JNF leader...

She is a pillar of her community, who co-chairs the Hillel advisory board, Hillel Israel Center, and AIPAC region in Southern New Jersey, who serves on the board of her Conservative synagogue, and who is on the development board of the local hospital, Shore Medical Center hospital...

She is a passionate advocate, who took her first trip to Israel at 13, and who in her countless trips there since has witnessed with pride Israel's inspiring achievements...

And she is an enthusiastic JNF champion, who has been a member of the organization's Young Leadership Cabinet and National Women's Philanthropy Board, who has been JNF's campaign chair and past regional president in Atlantic City, and who was twice president of her local Board of Jewish Education...

Ladies and Gentleman, please welcome an inspired Jewish leader, Judith Galler.
