

Laura Salzer Introduction

Ladies and gentlemen, it's now my privilege to introduce you to a woman who is deeply dedicated to the Jewish community...

She is a talented entrepreneur, who works as a property owner, manager and business consultant, providing financial, marketing, and business guidance for a variety of businesses...

She is a devoted philanthropist, who was recognized by the Tampa Jewish Federation as a Woman of Distinction for her involvement with Jewish National Fund, in addition to serving on the boards of Tampa Jewish Family Services and Congregation Schaarai Zedek...

And she is a devoted Zionist, who is mother of a released lone soldier, an active member of JNF's Sapphire Society and an incredibly popular member of Makor, JNF's Speakers Bureau. You will understand why tonight!

Ladies and gentlemen, please welcome Laura Salzer!
