

## Michael Wilner Introduction

Ladies and gentlemen, it is now my privilege to introduce you to a man with a knack for the news...

He is a skilled reporter, who is the Washington Bureau Chief and White House correspondent for The Jerusalem Post, coordinating coverage of U.S. foreign policy in the Middle East from the White House, State Department, Pentagon, and Congress...

He is valued part of the White House press corps, who traveled with the U.S. delegation negotiating with Iran through Switzerland and Austria, and filed from the field on the Syrian refugee crisis and the Gaza war during Operation Protective Edge in 2014...

And he is a trailblazing journalist, who joined the White House press corps at the ripe old age of 23 years as its youngest member and as the only representative of an Israeli news organization.

Ladies and gentleman, please welcome Washington Bureau Chief and White House correspondent, Michael Wilner.
