

Michal Drayman Introduction

Ladies and Gentlemen,

Now it's my privilege to introduce one of Israel's top experts in economic development...

She is a talented dealmaker, who is known worldwide for her ability to find symbiotic relationships between banks and companies to raise money for new initiatives...

She is an accomplished executive, who has founded a number of successful businesses and served as vice president of several multi-national companies...

And she is a respected leader, who brings together the diverse people of Israel to form economic coalitions that transform regions.

Ladies and Gentleman, please welcome the Vice Chair of Israel Initiative 2020, a movement to strengthen Israel's future, Michal Drayman.
