

Michal Perle-Kellner Introduction

Ladies and gentlemen, it is now my privilege to introduce you a woman who is passionate about the environment and helping communities around the world...

She is a respected academic, who was the only Israeli to be selected as a Penn State Hubert H. Humphrey Fellow, an opportunity that allowed her to enhance her knowledge in soil and water pollution prevention and remediation...

She is a passionate advocate, who served in Israel's Ministry of Health and is promoting the improvement of public health in Israel...

And she is a vocal environmentalist, who is an environmental engineer at the Israel Electric Company, the largest public company in Israel, and is an active member of the Israeli environmental regulatory process.

Ladies and gentlemen please welcome esteemed environmental engineer, Michal Perle-Kellner.
