

## **Nina Paul Introduction**

Ladies and Gentleman,

Now it's my privilege to introduce you to a woman who has helped Jewish National Fund become the organization it is today...

She is a *trailblazer*, who was one of the first members of The Sapphire Society and helped create one of the largest regional groups in the country as President of the Southern Ohio and Kentucky Region Board,

She is an *incredible fundraiser*, who has personally brought much needed attention to the area of disabilities through the innovative Inclusion Park Project of the Cincinnati Mayerson Foundation. From there she introduced our partner LOTEM to the Sapphire Society and the rest is history.

And she is a *respected philanthropist*, who was JNF's first-ever Campaign All-Star, a member of the Negev Society and Century Council, is on the Task Force for Disabilities, and a board member of myriad non-profit organizations around Cincinnati.

Ladies and Gentleman, please welcome the former president of Jewish National Fund Women for Israel and a member of Makor, JNF's National Ambassador group, Nina Paul.
