

Penny S. Tee Introduction

Ladies and gentlemen, it is my pleasure to introduce you to a renaissance woman...

She is an accomplished writer, who has written blogs, web content, business proposals, press releases, poetry, and most recently, the book "Blasted From Complacency"...

She is a budding entrepreneur, who is the founder of Writers4Writers, a member of Publishers & Writers of San Diego, and is the official scribe for Publishers and Writers of Orange County...

And she is a dedicated parent, who was inspired to write her book when her family vacation to Israel was interrupted by a constant barrage of rockets, causing her to spend significant time in bomb shelters with her husband and teenage son.

Ladies and Gentlemen, please welcome a well-rounded author, mother, and entrepreneur, Penny S. Tee.
