

Rebecca Shimoni-Stoil

Ladies and gentlemen, it's now my privilege to introduce to you an esteemed and fascinating journalist...

She is a seasoned reporter, who serves as a Washington D.C. correspondent for the Times of Israel, has broken momentous news stories, and tirelessly covers critical issues with depth and nuance...

She is a relentless truth-seeker, who, while at the Jerusalem Post, braved danger to report on rocket attacks in Sderot, suicide bombings, and the Second Lebanon War...

And she is a passionate scholar, who studies and teaches about American politics, policy and political culture while she earns her PhD.

Ladies and gentlemen, please welcome journalist and historian Rebecca Shimoni-Stoil.
