

Intro:

Ladies and Gentlemen, it is my privilege to introduce a man who has stopped at nothing until achieving excellence...

He is a dedicated and beloved civil servant, first being elected as mayor of Be'er Sheva in 2008 then again in 2013 with 92.2% of the ballots...

He is a visionary, boosting local investment and employment while transforming his city into a center for education, entertainment, environmental quality, and the arts...

And he is an excellent leader, he has opened new parks, recreation centers, and even a hospital and college- creating thousands of new housing units and renovating the preexisting infrastructure to better accommodate population growth and needs...

Ladies and Gentlemen, please welcome a man of great vision and service, Ruvik Danilovich.
