

## Sami Steigman Intro

Ladies and gentlemen it is my privilege to introduce a man who exemplifies the strength of the Jewish people...

He is a **survivor**, from 1941 through 1944, he was with his parents deported by the Romanians to a labor camp...

He is a **fighter**, first serving in the Israeli Air force then coming to the US in 1968 alone, with no money, and not yet speaking the language...

He is a **source of light**, today, after facing and overcoming many challenges, he is a motivational speaker. Now carrying the torch for his generation and teaches young people life lessons based on his personal experiences...

Ladies and gentlemen please help me welcome Mr. Sami Steigman.
