

Sandra Lilienthal Introduction

Ladies and gentlemen, it is now my privilege to introduce you to an educator like no other...

She is a dedicated teacher, who has won the Covenant Award for Excellence in Jewish Education for her more than 25 years of experience teaching Judaism education ...

She is a learned academic, who is part of the Hebrew University's Florence Melton School of Adult Jewish Learning faculty, an adjunct professor and member of the Board of Governors at Gratz College...

And she is a passionate proponent for adult Jewish education, who created and facilitates Pillars of Judaism, a two-year educational curriculum for adults, and regularly presents at Jewish education conferences, synagogues, and other Jewish organizations.
