

Steven Foster Introduction

Ladies and Gentleman,

Now it's my privilege to introduce you to one of the most respected Jewish leaders in Denver...

He is a community builder, who founded his temple's preschool, kindergarten, day school, and an outreach program for interfaith families,

He is an advocate for social justice, who also serves on the boards of Planned Parenthood, the National Council of Justice and Peace, United Way, and Allied Jewish Federation,

And he is a pillar of the Jewish National Fund family in Denver, who is revered for years of service as Rabbi at Temple Emanuel and his work inside and outside of the Jewish community, still working part time as a hospice chaplain...

Ladies and Gentleman, please welcome Rabbi Steven Foster!
