

Steven Foster Introduction

Ladies and Gentleman,

Now it's my privilege to introduce you to one of the most respected Jewish leaders in Denver...

He is a **community builder**, who founded his temple's preschool, kindergarten, day school, and an outreach program for interfaith families,

He is an **advocate for social justice**, who is revered for years of service as Rabbi at Temple Emanuel and his work inside and outside of the Jewish community, still working part time as a hospice chaplain...

And he is a **pillar of the Jewish National Fund family** in Denver, and a member of Makor, JNF's National Ambassador group.

Ladies and Gentleman, please welcome Rabbi Steven Foster!
