

## Susan Farber Introduction

Ladies and gentlemen, it is now my privilege to introduce you to a dedicated Jewish leader...

She is a champion of Jewish causes, who has been the president of JNF's Arizona region since October 2017...

She is a passionate Israel advocate, who became more involved with JNF after participating in a solidarity mission to Israel in 2014 during Operation Protective Edge, when she experienced what it was like to spend large portions of the day in bomb shelters...

And she is a savvy business leader, who utilizes her business background to bring people with diverse profiles onto JNF's Arizona Board in order to provide new perspectives, and who has created a list of responsibilities for new board members in order to energize and organize their contributions...

Ladies and gentlemen, please welcome a nonprofit leader who adeptly motivates her peers and partners, Susan Farber.
