

Tuvia and Isi Tenenbom Introduction

Ladies and gentlemen, it is now my privilege to introduce you to a pair of highly creative authors...

They are a dynamic husband-and-wife literary duo, who co-wrote the book "Hello, Refugees!", a re-enactment of Tuvia's experience presenting himself as a Jordanian in order to gain entry into Syrian refugee camps in Germany, while Tuvia has published articles and essays in leading media worldwide including Germany's Die Zeit, Italy's Corriere della Sera, Israel's Yedioth Ahronoth, and America's Fox News...

They are fearless investigators, as Tuvia traveled the Palestinian territories disguised as "Tobi the German journalist" in order to expose anti-Semitism for his bestselling book "Catch the Jew!" ...

And they are respected arts professionals, as Tuvia has written more than 15 plays for The Jewish Theater of New York, and his theatrical work has been hailed by the New York Times and the Village Voice for its integrity and chutzpah...

Ladies and gentlemen, please welcome two writers who capture our imaginations, Tuvia and Isi Tenenbom.
