

William Mehrvaz Introduction

Ladies and gentlemen, it is my pleasure to introduce a man who has centered his values in the face of tyranny...

An apostate who, having renounced Islam in favor of Judaism, was forced to flee Iran under threat of persecution, prosecution, and execution...

In addition to studying Political Science and Talmud at Yeshiva University and serving as a translator to and from Farsi for a diversity of works ranging from Seth M. Siegel's *Let There Be Water*, to tweets that reveal the truths of modern Iran, both popular and unpopular, all while hard at work on his own memoir...

Ladies and gentlemen, please welcome Mr. William Mehrvarz.
