# Make a Fire Hat!

You'll Need:

1. Two paper plates (red, yellow or black) 2. Scissors 3. Glue and/or tape

**What to Do:**

1. Cut a circle the size of your head out of one paper plate.

Cut a circle the size of your head.

2. Cut the other paper plate in half.

One half will be the back brim.

One half will be the top.

3. Cut out the FIF (Friends of Israel Firefighters) logo from the next page and glue onto the half that will be the top.   Then, make a fold 1/2 inch from the edge. Cut three slits so that the half-circle will curve when you glue it to the first plate. Glue the first circle to the plate as shown.
