

JOIN US FOR THE JNF-USA EDUCATORS MISSION TO THE KKL WORLD EDUCATION CONFERENCE IN ISRAEL

July 13-19, 2020

- Learn about Eco-Zionism™ and the connection between Judaism, Israel, and the environment
- Tour JNF sites, heritage sites, and historical sites of the Jewish people
- Attend workshops, lectures, and discussions on the current challenges in Israel education
- Gain exposure to JNF's educational activities and materials
- Network with 200+ educators from around the world

educatorsmission](https://jnf.org/educatorsmission)

*Please note that
completing the form
DOES NOT guarantee
acceptance; all applicants
will be contacted for a
personal interview.*

Eligibility

Educators from Jewish day schools, supplemental religious schools, Jewish camps, youth groups, and other Jewish school settings. Preference will be given to those educators who work with middle and high school students.

Terms of Participation

COST - \$200 per educator (based on double occupancy), all other land costs are covered. Transportation to/from Israel is the responsibility of the participant.

Participants are expected to share their experiences on social media while they're on the trip, and write and/or speak about the trip when they return, at their school and in their community.

FOLLOW UP PROJECTS - Each participant must commit to the implementation of at least two JNF programs during the school year—one for Tu BiShvat and the other at their discretion—and also run a tree campaign for Tu BiShvat. Programs can be based on anything relating to JNF's work in Israel (Community Building, Disabilities & Special Needs, Zionist Education & Advocacy, Forestry & Green Innovations, Heritage Sites, Research & Development, or Water Solutions). Educators from the same school may complete projects together.

Food is kosher according to the Rabbinat of Israel.
