Uniting for Impact

Dear Esteemed Partners,

We are grateful for your interest in collaborating with Jewish National Fund-USA on our pivotal Global Conference for Israel.

As a vanguard in philanthropy for Israel's land and people since 1901, Jewish National Fund-USA unites Americans from diverse backgrounds in support of our mission for the development of Israel's Northern (Galilee) and Southern (Negev) regions. Our dedication to this cause has earned us Charity Navigator's highest 4-star rating for over a decade, placing us in the top 3% of U.S. charities.

Recent events have deeply affected us all, with the tragic and unprovoked attacks by Hamas against Israeli civilians. Amidst this turmoil, our commitment to the communities along the Gaza border is unwavering, as we strive to address both the immediate and long-term needs arising from the crisis.

We were there yesterday, we are there today, and we will be there tomorrow.

By sponsoring our annual conference, your organization will not only support the land and people of Israel but also make a powerful statement against the rising tide of antisemitism. Your commitment is especially meaningful as we gather in Dallas this year, a community that has shown immense hospitality and support.

This booklet details our initiatives in Israel, their impact, our valued donor community, and how your sponsorship can enhance your brand's presence at our conference this November.

We eagerly anticipate forging a strong partnership with your company, united by our shared values and commitment to Israel.

Warm regards,

Russell F. Robinson
CEO, Jewish National Fund-USA
