# What Is Jewish National Fund-USA?

---

Jewish National Fund-USA builds a strong, vibrant future for the land and people of Israel through bold initiatives and Zionist engagement.

Since 1901, we have been at the forefront of Israel's growth, combining vision, strategy, and resources to achieve what others deemed impossible. In the aftermath of October 7, our mission has become more important than ever. The people of Israel know we were there yesterday, we are there today, and we will be there with them tomorrow.

Our Build Together and Reimagine plans leverage our vast philanthropic investments made prior to October 7 to lead rebuilding efforts in Israel's North and South. In partnership with the people of Israel, we will create secure, beautiful havens for the residents of displaced communities to return home to and entice new residents to join.

From bomb shelters and resilience centers to quality-of-life projects and critical infrastructure development, Jewish National Fund-USA is addressing the physical and psychological needs of Israelis living on Israel's northern and southern frontiers.
