# What Is Jewish National Fund-USA?

---

Imagine a 2,000-year dream passed down from generation to generation. One of yearning and determination to return to an ancient homeland. In 1901, that dream would start to become a reality with the creation of Jewish National Fund and ultimately lead to the re-establishment of a Jewish homeland in Israel in 1948. Today, Jewish National Fund-USA realizes that vision by attracting 800,000 new residents to Israel's underserved north and south with high quality of life opportunities, planting 260 million trees, building schools, medical centers, parks, fortified playgrounds, bomb shelters, and water reservoirs, investing in ecological research & development, leading rebuilding efforts in border communities devastated by the October 7 attacks, educating youth about Zionism at its Alexander Muss High School in Israel, and planning for the future through its \$350 million World Zionist Village.

**TOGETHER WITH AMERICANS EVERYWHERE, JEWISH NATIONAL FUND-USA** builds a strong, vibrant future for the land and people of Israel through bold initiatives and Zionist education. Join us today: [jnf.org](https://jnf.org) or **800.563.0099**.
