Your Voice in Israel

ISRAEL, SINCE OCTOBER 7

SINCE THE HORRIFIC EVENTS OF OCTOBER 7, the pain of the Israeli people has been heartbreaking, but their resilience is even more striking. The courage and determination to work for a better tomorrow propels Jewish National Fund-USA forward to work tirelessly to strengthen and rebuild the land and people of Israel.

With Israel enduring an ongoing war and thousands of people still evacuated from their homes, Jewish National Fund-USA's Resilience Campaign remains our core focus. We meet with regional and local

leaders to help evaluate the needs and challenges both for today and for tomorrow – safety, education, mental health, comfort, jobs, and services.

From these conversations, we have also developed our Build Together plan, a comprehensive and bold strategic initiative to rebuild Israeli communities in the Israel Envelope (formerly known as the Gaza Envelope), and provide the infrastructure and quality of life needed to allow residents to feel safe coming home.
